PUBLIC QUESTIONS TO BE VOTED UPON

STATE QUESTION NO. 1

CONSTITUTIONAL AMENDMENT TO ALLOW A COURT TO ORDER PRETRIAL DETENTION OF A PERSON IN A CRIMINAL CASE

Do you approve amending the Constitution to allow a court to order pretrial detention of a person in a criminal case? This would change the current constitutional right to bail.

The change to the Constitution would mean that a court could order that a person remain in jail prior to trial, even without a chance for the person to post bail, in some situations.

The amendment also removes language in the Constitution about bail eligibility for death penalty cases. The death penalty no longer exists in New Jersey.

INTERPRETIVE STATEMENT

The Constitution currently requires a court to grant bail to a jailed person in a criminal case before trial. If the person posts bail, the person is released from jail pending trial.

The amendment would give a court the option of ordering a person to remain in jail in some situations. The court could order such detention based upon concerns that the person, if released: will not return to court; is a threat to the safety of another person or the community; or will obstruct or attempt to obstruct the criminal justice process.

The amendment authorizes the Legislature to pass laws concerning pretrial release and pretrial detention. The amendment would take effect on January 1, 2017 to allow any new laws to be enacted and their requirements to be established.

The amendment would also remove language in the Constitution about bail eligibility for death penalty cases. The death penalty no longer exists in New Jersey.

STATE QUESTION NO. 2

CONSTITUTIONAL AMENDMENT DEDICATING STATE FUNDS FOR OPEN SPACE, FARMLAND, AND HISTORIC PRESERVATION, AND CHANGING EXISTING DEDICATION FOR WATER PROGRAMS, UNDERGROUND STORAGE TANKS, AND HAZARDOUS SITE CLEANUPS

Do you approve amending the Constitution to dedicate certain State revenues each year for environmental programs?

The Constitution now dedicates four percent of the money collected from the Corporation Business Tax to help pay for some environmental programs. This amendment raises the amount from four percent to six percent beginning on July 1, 2019.

The amendment also changes, beginning July 1, 2015, some of the programs funded by the current dedication. The new dedication would be used mostly to preserve and steward open space, farmland, historic sites, and flood-prone areas. Funds would also be used to improve water quality, remove and clean up underground tanks, and clean up polluted sites. Lastly, the amendment dedicates money received from leases and other uses of State open space lands to pay for open space, farmland, and historic preservation.

INTERPRETIVE STATEMENT

This amendment would ensure stable funding for some of the State's environmental programs.

The Constitution now dedicates four percent of the money collected from the Corporation Business Tax to help pay for some environmental programs. This amendment raises the amount from four percent to six percent beginning on July 1, 2019. It also changes the amounts allocated to some of the programs funded by the existing dedication beginning on July 1, 2015.

The money from the new dedication would be used: (1) to preserve and care for open space (Green Acres), farmland, historic sites, and flood-prone areas (Blue Acres); (2) to improve water quality; (3) to pay for polluted site cleanups; and (4) for underground tank removal and cleanup.

Lastly, the amendment requires that money received from leases and certain other uses of State-owned preserved open space be used to pay for open space, farmland, and historic preservation.

The current dedication of Corporation Business Tax revenue helps pay for water quality programs, polluted site cleanups, underground tank removal and cleanup, air pollution equipment for diesel engines, and improvements to parks.

Under the State's open space preservation programs, known as Green Acres and Blue Acres, land is bought to protect water supplies, create and maintain parks and fish and wildlife areas, and protect flood-prone areas. The Green Acres program also helps pay for improvements to parks.

LOWER CAPE MAY REGIONAL QUESTION 1

Explanatory Statement

Voters are requested to cast a vote on the question of modifying the tax allocation formula for the Lower Cape May Regional School District. The current tax allocation formula is based upon the current property tax valuations for each municipality. If the proposal is approved, this formula will be modified so that it is based solely on pupil enrollment. The table below illustrates the effect the change in tax allocation would have on each municipality.

Municipality	10/15/13 Enroll	Current Taxes Based on Rateables	Taxes Based On Enrollment	\$ Change	% Change	Average Home Increase/Decrease
Cape May City	67	\$6,520,338.34	\$932,754.25	-5,587,584	-85.69%	- \$1,255.98
Lower Twp	1,346	\$12,027,932.47	\$18,738,615.15	+6,710,683	+55.79%	+ \$ 427.87
West Cape May	42	\$1,707,810.20	\$584,711.61	-1,123,099	-65.76%	- \$1,091.60
Totals	1,455	\$20,256,081	\$20,256,081			

Source: New Jersey Department of Education - Impact of Levy Allocation Changes for the Lower Cape May Regional School District using Fiscal Year 2015 Budget Data. The numbers presented in this graph have been rounded to the nearest dollar or cent.

A "Yes" vote will change the tax allocation to fund the Lower Cape May School District from property valuation to pupil enrollment.

A "No" vote will maintain the current property tax structure and tax allocation formula (Equalized Property Value) for the Lower Cape May Regional School District.

Ballot Question

Should all appropriations for the Lower Cape May Regional School District be apportioned among the municipalities of the City of Cape May, Township of Lower, and the Borough of West Cape May upon the basis of the number of students enrolled from each municipality?

PUBLIC QUESTIONS TO BE VOTED UPON

STATE QUESTION NO. 1

CONSTITUTIONAL AMENDMENT TO ALLOW A COURT TO ORDER PRETRIAL DETENTION OF A PERSON IN A CRIMINAL CASE

Do you approve amending the Constitution to allow a court to order pretrial detention of a person in a criminal case? This would change the current constitutional right to bail.

The change to the Constitution would mean that a court could order that a person remain in jail prior to trial, even without a chance for the person to post bail, in some situations.

The amendment also removes language in the Constitution about bail eligibility for death penalty cases. The death penalty no longer exists in New Jersey.

INTERPRETIVE STATEMENT

The Constitution currently requires a court to grant bail to a jailed person in a criminal case before trial. If the person posts bail, the person is released from jail pending trial.

The amendment would give a court the option of ordering a person to remain in jail in some situations. The court could order such detention based upon concerns that the person, if released: will not return to court; is a threat to the safety of another person or the community; or will obstruct or attempt to obstruct the criminal justice process.

The amendment authorizes the Legislature to pass laws concerning pretrial release and pretrial detention. The amendment would take effect on January 1, 2017 to allow any new laws to be enacted and their requirements to be established.

The amendment would also remove language in the Constitution about bail eligibility for death penalty cases. The death penalty no longer exists in New Jersey.

STATE QUESTION NO. 2

CONSTITUTIONAL AMENDMENT DEDICATING STATE FUNDS FOR OPEN SPACE, FARMLAND, AND HISTORIC PRESERVATION, AND CHANGING EXISTING DEDICATION FOR WATER PROGRAMS, UNDERGROUND STORAGE TANKS, AND HAZARDOUS SITE CLEANUPS

Do you approve amending the Constitution to dedicate certain State revenues each year for environmental programs?

The Constitution now dedicates four percent of the money collected from the Corporation Business Tax to help pay for some environmental programs. This amendment raises the amount from four percent to six percent beginning on July 1, 2019.

The amendment also changes, beginning July 1, 2015, some of the programs funded by the current dedication. The new dedication would be used mostly to preserve and steward open space, farmland, historic sites, and flood-prone areas. Funds would also be used to improve water quality, remove and clean up underground tanks, and clean up polluted sites. Lastly, the amendment dedicates money received from leases and other uses of State open space lands to pay for open space, farmland, and historic preservation.

INTERPRETIVE STATEMENT

This amendment would ensure stable funding for some of the State's environmental programs.

The Constitution now dedicates four percent of the money collected from the Corporation Business Tax to help pay for some environmental programs. This amendment raises the amount from four percent to six percent beginning on July 1, 2019. It also changes the amounts allocated to some of the programs funded by the existing dedication beginning on July 1, 2015.

The money from the new dedication would be used: (1) to preserve and care for open space (Green Acres), farmland, historic sites, and flood-prone areas (Blue Acres); (2) to improve water quality; (3) to pay for polluted site cleanups; and (4) for underground tank removal and cleanup.

Lastly, the amendment requires that money received from leases and certain other uses of State-owned preserved open space be used to pay for open space, farmland, and historic preservation.

The current dedication of Corporation Business Tax revenue helps pay for water quality programs, polluted site cleanups, underground tank removal and cleanup, air pollution equipment for diesel engines, and improvements to parks.

Under the State's open space preservation programs, known as Green Acres and Blue Acres, land is bought to protect water supplies, create and maintain parks and fish and wildlife areas, and protect flood-prone areas. The Green Acres program also helps pay for improvements to parks.

LOWER CAPE MAY REGIONAL QUESTION 1

Explanatory Statement

Voters are requested to cast a vote on the question of modifying the tax allocation formula for the Lower Cape May Regional School District. The current tax allocation formula is based upon the current property tax valuations for each municipality. If the proposal is approved, this formula will be modified so that it is based solely on pupil enrollment. The table below illustrates the effect the change in tax allocation would have on each municipality.

Municipality	10/15/13 Enroll	Current Taxes Based on Rateables	Taxes Based On Enrollment	\$ Change	% Change	Average Home Increase/Decrease
Cape May City	67	\$6,520,338.34	\$932,754.25	-5,587,584	-85.69%	- \$1,255.98

A "Yes" vote will change the tax allocation to fund the Lower Cape May School District from property valuation to pupil enrollment.

A "No" vote will maintain the current property tax structure and tax allocation formula (Equalized Property Value) for the Lower Cape May Regional School District.

Ballot Question

Should all appropriations for the Lower Cape May Regional School District be apportioned among the municipalities of the City of Cape May, Township of Lower, and the Borough of West Cape May upon the basis of the number of students enrolled from each municipality?

STATE QUESTION NO. 1

CONSTITUTIONAL AMENDMENT TO ALLOW A COURT TO ORDER PRETRIAL DETENTION OF A PERSON IN A CRIMINAL CASE

Do you approve amending the Constitution to allow a court to order pretrial detention of a person in a criminal case? This would change the current constitutional right to bail.

The change to the Constitution would mean that a court could order that a person remain in jail prior to trial, even without a chance for the person to post bail, in some situations.

The amendment also removes language in the Constitution about bail eligibility for death penalty cases. The death penalty no longer exists in New Jersey.

INTERPRETIVE STATEMENT

The Constitution currently requires a court to grant bail to a jailed person in a criminal case before trial. If the person posts bail, the person is released from jail pending trial.

The amendment would give a court the option of ordering a person to remain in jail in some situations. The court could order such detention based upon concerns that the person, if released: will not return to court; is a threat to the safety of another person or the community; or will obstruct or attempt to obstruct the criminal justice process.

The amendment authorizes the Legislature to pass laws concerning pretrial release and pretrial detention. The amendment would take effect on January 1, 2017 to allow any new laws to be enacted and their requirements to be established.

The amendment would also remove language in the Constitution about bail eligibility for death penalty cases. The death penalty no longer exists in New Jersey.

STATE QUESTION NO. 2

CONSTITUTIONAL AMENDMENT DEDICATING STATE FUNDS FOR OPEN SPACE, FARMLAND, AND HISTORIC PRESERVATION, AND CHANGING EXISTING DEDICATION FOR WATER PROGRAMS, UNDERGROUND STORAGE TANKS, AND HAZARDOUS SITE CLEANUPS

Do you approve amending the Constitution to dedicate certain State revenues each year for environmental programs?

The Constitution now dedicates four percent of the money collected from the Corporation Business Tax to help pay for some environmental programs. This amendment raises the amount from four percent to six percent beginning on July 1, 2019.

The amendment also changes, beginning July 1, 2015, some of the programs funded by the current dedication. The new dedication would be used mostly to preserve and steward open space, farmland, historic sites, and flood-prone areas. Funds would also be used to improve water quality, remove and clean up underground tanks, and clean up polluted sites. Lastly, the amendment dedicates money received from leases and other uses of State open space lands to pay for open space, farmland, and historic preservation.

INTERPRETIVE STATEMENT

This amendment would ensure stable funding for some of the State's environmental programs.

The Constitution now dedicates four percent of the money collected from the Corporation Business Tax to help pay for some environmental programs. This amendment raises the amount from four percent to six percent beginning on July 1, 2019. It also changes the amounts allocated to some of the programs funded by the existing dedication beginning on July 1, 2015.

The money from the new dedication would be used: (1) to preserve and care for open space (Green Acres), farmland, historic sites, and flood-prone areas (Blue Acres); (2) to improve water quality; (3) to pay for polluted site cleanups; and (4) for underground tank removal and cleanup.

Lastly, the amendment requires that money received from leases and certain other uses of State-owned preserved open space be used to pay for open space, farmland, and historic preservation.

The current dedication of Corporation Business Tax revenue helps pay for water quality programs, polluted site cleanups, underground tank removal and cleanup, air pollution equipment for diesel engines, and improvements to parks.

Under the State's open space preservation programs, known as Green Acres and Blue Acres, land is bought to protect water supplies, create and maintain parks and fish and wildlife areas, and protect flood-prone areas. The Green Acres program also helps pay for improvements to parks.

STATE QUESTION NO. 1

CONSTITUTIONAL AMENDMENT TO ALLOW A COURT TO ORDER PRETRIAL DETENTION OF A PERSON IN A CRIMINAL CASE

Do you approve amending the Constitution to allow a court to order pretrial detention of a person in a criminal case? This would change the current constitutional right to bail.

The change to the Constitution would mean that a court could order that a person remain in jail prior to trial, even without a chance for the person to post bail, in some situations.

The amendment also removes language in the Constitution about bail eligibility for death penalty cases. The death penalty no longer exists in New Jersey.

INTERPRETIVE STATEMENT

The Constitution currently requires a court to grant bail to a jailed person in a criminal case before trial. If the person posts bail, the person is released from jail pending trial.

The amendment would give a court the option of ordering a person to remain in jail in some situations. The court could order such detention based upon concerns that the person, if released: will not return to court; is a threat to the safety of another person or the community; or will obstruct or attempt to obstruct the criminal justice process.

The amendment authorizes the Legislature to pass laws concerning pretrial release and pretrial detention. The amendment would take effect on January 1, 2017 to allow any new laws to be enacted and their requirements to be established.

The amendment would also remove language in the Constitution about bail eligibility for death penalty cases. The death penalty no longer exists in New Jersey.

STATE QUESTION NO. 2

CONSTITUTIONAL AMENDMENT DEDICATING STATE FUNDS FOR OPEN SPACE, FARMLAND, AND HISTORIC PRESERVATION, AND CHANGING EXISTING DEDICATION FOR WATER PROGRAMS, UNDERGROUND STORAGE TANKS, AND HAZARDOUS SITE CLEANUPS

Do you approve amending the Constitution to dedicate certain State revenues each year for environmental programs?

The Constitution now dedicates four percent of the money collected from the Corporation Business Tax to help pay for some environmental programs. This amendment raises the amount from four percent to six percent beginning on July 1, 2019.

The amendment also changes, beginning July 1, 2015, some of the programs funded by the current dedication. The new dedication would be used mostly to preserve and steward open space, farmland, historic sites, and flood-prone areas. Funds would also be used to improve water quality, remove and clean up underground tanks, and clean up polluted sites. Lastly, the amendment dedicates money received from leases and other uses of State open space lands to pay for open space, farmland, and historic preservation.

INTERPRETIVE STATEMENT

This amendment would ensure stable funding for some of the State's environmental programs.

The Constitution now dedicates four percent of the money collected from the Corporation Business Tax to help pay for some environmental programs. This amendment raises the amount from four percent to six percent beginning on July 1, 2019. It also changes the amounts allocated to some of the programs funded by the existing dedication beginning on July 1, 2015.

The money from the new dedication would be used: (1) to preserve and care for open space (Green Acres), farmland, historic sites, and flood-prone areas (Blue Acres); (2) to improve water quality; (3) to pay for polluted site cleanups; and (4) for underground tank removal and cleanup.

Lastly, the amendment requires that money received from leases and certain other uses of State-owned preserved open space be used to pay for open space, farmland, and historic preservation.

The current dedication of Corporation Business Tax revenue helps pay for water quality programs, polluted site cleanups, underground tank removal and cleanup, air pollution equipment for diesel engines, and improvements to parks.

Under the State's open space preservation programs, known as Green Acres and Blue Acres, land is bought to protect water supplies, create and maintain parks and fish and wildlife areas, and protect flood-prone areas. The Green Acres program also helps pay for improvements to parks.

PUBLIC QUESTIONS TO BE VOTED UPON

STATE QUESTION NO. 1

CONSTITUTIONAL AMENDMENT TO ALLOW A COURT TO ORDER PRETRIAL DETENTION OF A PERSON IN A CRIMINAL CASE

Do you approve amending the Constitution to allow a court to order pretrial detention of a person in a criminal case? This would change the current constitutional right to bail.

The change to the Constitution would mean that a court could order that a person remain in jail prior to trial, even without a chance for the person to post bail, in some situations.

The amendment also removes language in the Constitution about bail eligibility for death penalty cases. The death penalty no longer exists in New Jersey.

INTERPRETIVE STATEMENT

The Constitution currently requires a court to grant bail to a jailed person in a criminal case before trial. If the person posts bail, the person is released from jail pending trial.

The amendment would give a court the option of ordering a person to remain in jail in some situations. The court could order such detention based upon concerns that the person, if released: will not return to court; is a threat to the safety of another person or the community; or will obstruct or attempt to obstruct the criminal justice process.

The amendment authorizes the Legislature to pass laws concerning pretrial release and pretrial detention. The amendment would take effect on January 1, 2017 to allow any new laws to be enacted and their requirements to be established.

The amendment would also remove language in the Constitution about bail eligibility for death penalty cases. The death penalty no longer exists in New Jersey.

STATE QUESTION NO. 2

CONSTITUTIONAL AMENDMENT DEDICATING STATE FUNDS FOR OPEN SPACE, FARMLAND, AND HISTORIC PRESERVATION, AND CHANGING EXISTING DEDICATION FOR WATER PROGRAMS, UNDERGROUND STORAGE TANKS, AND HAZARDOUS SITE CLEANUPS

Do you approve amending the Constitution to dedicate certain State revenues each year for environmental programs?

The Constitution now dedicates four percent of the money collected from the Corporation Business Tax to help pay for some environmental programs. This amendment raises the amount from four percent to six percent beginning on July 1, 2019.

The amendment also changes, beginning July 1, 2015, some of the programs funded by the current dedication. The new dedication would be used mostly to preserve and steward open space, farmland, historic sites, and flood-prone areas. Funds would also be used to improve water quality, remove and clean up underground tanks, and clean up polluted sites. Lastly, the amendment dedicates money received from leases and other uses of State open space lands to pay for open space, farmland, and historic preservation.

INTERPRETIVE STATEMENT

This amendment would ensure stable funding for some of the State's environmental programs.

The Constitution now dedicates four percent of the money collected from the Corporation Business Tax to help pay for some environmental programs. This amendment raises the amount from four percent to six percent beginning on July 1, 2019. It also changes the amounts allocated to some of the programs funded by the existing dedication beginning on July 1, 2015.

The money from the new dedication would be used: (1) to preserve and care for open space (Green Acres), farmland, historic sites, and flood-prone areas (Blue Acres); (2) to improve water quality; (3) to pay for polluted site cleanups; and (4) for underground tank removal and cleanup.

Lastly, the amendment requires that money received from leases and certain other uses of State-owned preserved open space be used to pay for open space, farmland, and historic preservation.

The current dedication of Corporation Business Tax revenue helps pay for water quality programs, polluted site cleanups, underground tank removal and cleanup, air pollution equipment for diesel engines, and improvements to parks.

Under the State's open space preservation programs, known as Green Acres and Blue Acres, land is bought to protect water supplies, create and maintain parks and fish and wildlife areas, and protect flood-prone areas. The Green Acres program also helps pay for improvements to parks.

LOWER CAPE MAY REGIONAL QUESTION 1

Explanatory Statement

Voters are requested to cast a vote on the question of modifying the tax allocation formula for the Lower Cape May Regional School District. The current tax allocation formula is based upon the current property tax valuations for each municipality. If the proposal is approved, this formula will be modified so that it is based solely on pupil enrollment. The table below illustrates the effect the change in tax allocation would have on each municipality.

Municipality	10/15/13 Enroll	Current Taxes Based on Rateables	Taxes Based On Enrollment	\$ Change	% Change	Average Home Increase/Decrease
Cape May City	67	\$6,520,338.34	\$932,754.25	-5,587,584	-85.69%	- \$1,255.98
Lower Twp	1,346	\$12,027,932.47	\$18,738,615.15	+6,710,683	+55.79%	+ \$ 427.87
West Cape May	42	\$1,707,810.20	\$584,711.61	-1,123,099	-65.76%	- \$1,091.60
Totals	1,455	\$20,256,081	\$20,256,081			

Source: New Jersey Department of Education - Impact of Levy Allocation Changes for the Lower Cape May Regional School District using Fiscal Year 2015 Budget Data. The numbers presented in this graph have been rounded to the nearest dollar or cent.

A "Yes" vote will change the tax allocation to fund the Lower Cape May School District from property valuation to pupil enrollment.

A "No" vote will maintain the current property tax structure and tax allocation formula (Equalized Property Value) for the Lower Cape May Regional School District.

Ballot Question

Should all appropriations for the Lower Cape May Regional School District be apportioned among the municipalities of the City of Cape May, Township of Lower, and the Borough of West Cape May upon the basis of the number of students enrolled from each municipality?

LOCAL QUESTION NO. 1

Shall the ordinance adopted on May 20, 2013 by the commissioners of the Borough of West Wildwood providing for various capital improvements of the Borough of West Wildwood, appropriating the aggregate (total) amount of \$495,000.00 therefore and authorizing the issuance of \$470,250.00 bonds or notes of the Borough of West Wildwood to finance part of the cost thereof be adopted?

INTERPRETIVE STATEMENT NO.1

A **YES** vote means the Borough of West Wildwood will place a down payment of \$24,750.00 and borrow an additional \$470,250.00. The borrowed funds will be used to acquire the following: a backhoe loader, street sweeper and skid steer (estimated \$341,300); office equipment and a sport utility vehicle for the police department (estimated \$62,400) and the remaining funds for the acquisition of fire department equipment, general office technology, furniture, and upgrading refueling station.

INTERPRETIVE STATEMENT NO.2

A **NO** vote means West Wildwood will not place a down payment of \$24,750.00 and West Wildwood will not borrow \$470,250.00.

STATE QUESTION NO. 1

CONSTITUTIONAL AMENDMENT TO ALLOW A COURT TO ORDER PRETRIAL DETENTION OF A PERSON IN A CRIMINAL CASE

Do you approve amending the Constitution to allow a court to order pretrial detention of a person in a criminal case? This would change the current constitutional right to bail.

The change to the Constitution would mean that a court could order that a person remain in jail prior to trial, even without a chance for the person to post bail, in some situations.

The amendment also removes language in the Constitution about bail eligibility for death penalty cases. The death penalty no longer exists in New Jersey.

INTERPRETIVE STATEMENT

The Constitution currently requires a court to grant bail to a jailed person in a criminal case before trial. If the person posts bail, the person is released from jail pending trial.

The amendment would give a court the option of ordering a person to remain in jail in some situations. The court could order such detention based upon concerns that the person, if released: will not return to court; is a threat to the safety of another person or the community; or will obstruct or attempt to obstruct the criminal justice process.

The amendment authorizes the Legislature to pass laws concerning pretrial release and pretrial detention. The amendment would take effect on January 1, 2017 to allow any new laws to be enacted and their requirements to be established.

The amendment would also remove language in the Constitution about bail eligibility for death penalty cases. The death penalty no longer exists in New Jersey.

STATE QUESTION NO. 2

CONSTITUTIONAL AMENDMENT DEDICATING STATE FUNDS FOR OPEN SPACE, FARMLAND, AND HISTORIC PRESERVATION, AND CHANGING EXISTING DEDICATION FOR WATER PROGRAMS, UNDERGROUND STORAGE TANKS, AND HAZARDOUS SITE CLEANUPS

Do you approve amending the Constitution to dedicate certain State revenues each year for environmental programs?

The Constitution now dedicates four percent of the money collected from the Corporation Business Tax to help pay for some environmental programs. This amendment raises the amount from four percent to six percent beginning on July 1, 2019.

The amendment also changes, beginning July 1, 2015, some of the programs funded by the current dedication. The new dedication would be used mostly to preserve and steward open space, farmland, historic sites, and flood-prone areas. Funds would also be used to improve water quality, remove and clean up underground tanks, and clean up polluted sites. Lastly, the amendment dedicates money received from leases and other uses of State open space lands to pay for open space, farmland, and historic preservation.

INTERPRETIVE STATEMENT

This amendment would ensure stable funding for some of the State's environmental programs.

The Constitution now dedicates four percent of the money collected from the Corporation Business Tax to help pay for some environmental programs. This amendment raises the amount from four percent to six percent beginning on July 1, 2019. It also changes the amounts allocated to some of the programs funded by the existing dedication beginning on July 1, 2015.

The money from the new dedication would be used: (1) to preserve and care for open space (Green Acres), farmland, historic sites, and flood-prone areas (Blue Acres); (2) to improve water quality; (3) to pay for polluted site cleanups; and (4) for underground tank removal and cleanup.

Lastly, the amendment requires that money received from leases and certain other uses of State-owned preserved open space be used to pay for open space, farmland, and historic preservation.

The current dedication of Corporation Business Tax revenue helps pay for water quality programs, polluted site cleanups, underground tank removal and cleanup, air pollution equipment for diesel engines, and improvements to parks.

Under the State's open space preservation programs, known as Green Acres and Blue Acres, land is bought to protect water supplies, create and maintain parks and fish and wildlife areas, and protect flood-prone areas. The Green Acres program also helps pay for improvements to parks.
