Dear Voter:

In 2018, Governor Murphy mandated a change in the New Jersey vote-by-mail process. P.L. 2018 c. 72 mandates that voters who requested and received a Mail-in Ballot for the 2016 General Election will automatically receive a Mail-in Ballot for all future elections. If you do not want to vote by mail in all future elections, you must advise the County Clerk in writing that you want to “opt-out” of voting by mail.

1. Many voters enjoy the convenience of voting by mail. If you wish to continue to vote by mail, please complete the enclosed **Application for Vote by Mail Ballot**. To receive a Mail-in Ballot for all future elections, please check the first box in Section 1 of the application. If you only wish to receive a Mail-in Ballot for a specific election, please check the box next to the one election for which you desire to vote by mail.
2. If you prefer to cast your vote at your polling place on election day, please sign and date the bottom of this notice and return it to the County Clerk’s Office. Please be advised that if you do not notify our office that you wish to opt-out of voting by mail, you will be limited to voting by mail or voting provisionally at the polls.

If you no longer want to vote by mail, please return the **Opt-Out Form** below. For further assistance, contact the Cape May County Clerk’s Office at (609) 465-1013.

Sincerely,
Rita Marie Fulginiti
Cape May County Clerk

**Sign and date below if you do *not* want to receive future Mail-in ballots.
Please fold, affix postage, and return.**

Dear Cape May County Clerk:

Please be advised that I do not wish to receive a Vote by Mail Ballot for all future elections.
